Madam/Sir,

A letter no. F.D.O.No.22011/29/2018-CIS-II dated 27-11-2018 has been received from Sh. Anuj Sharma, Joint Secretary (CIS), Ministry of Home Affairs, Government of India, North Block, New Delhi through MHRD office with copies of Handbook on cyber security reg. public awareness on cyber security.

This letter states that the information and communication technology is being used in all walks of public life including banking, transport, airlines, railways, power and other sectors. With enhanced use of technology for day to day activities, possibility of cyber crimes is also increasing.

To mitigate possibility of disruption in normal business activities or losses due to cyber crimes, Government of India is committed to create an ecosystem to prevent and control cyber crimes. 'Capacity building' and 'Public awareness' are critical components for obviating impact of cyber crimes and creating a suitable climate for trust based transactions.

With an objective of spreading awareness about cyber crimes and normal precautions to be taken, the Ministry of Home Affairs has launched @CyberDost --Twitter handle in 2018 where pertinent posts are being placed regularly. General Public Students and employees will be immensely benefitted if they follow this twitter handle. This will enhance their basic knowledge about cybercrimes and precautions to be taken for prevention thereof.

To give wide publicity of MHA Twitter handle @CyberDost in Kendriya Vidyalaya Sangathan and to follow it regularly to update their knowledge and for spreading awareness about cyber safety amongst students 03 copies of "Handbook for Adolescents/Students on Cyber Safety" are enclosed for onward publicity among all Kendriya Vidyalayas. A soft copy of this booklet have also been uploaded on KVS website.

This issues with the approval of the competent authority.

Yours faithfully,

  
01/02/2019
